

I am Swimmiiinnng

let me hug you !

So that is what fish looks like !

Excuse me, that is MY fish

I'll have your costume.

OpenMind Alliance Academy
is a happy BIG family

Together

we laugh, we play,

we sing, we draw and we read;

we share our good times and bad times;

our children learn to speak, to read, to write and

to be independent.

During this festive season, we want to congratulate the achievements of our hard working students. We want to say thank you to the very supportive parents.

We are grateful to our donors. The OMAA family is looking forward to bring more success to our future members.

MERRY CHRISTMAS AND
GOOD TIDINGS
TO YOU AND YOUR FAMILY!

Cool beach ! Are you taking my picture ?

Aaahhh ! This bike has only 2 wheels !

Volley ball in my face !

Wheels on the bus go round and round all the way to the camp.

That is where we grow !

That's the place !

The Seeder

The growers

The system

Water Quality Test - the chemistry

OMAA adult program is a co-op program for young adults who have left the school system. We pioneer to teach aquaponics farming to our young people. While it sounds like an impossible dream but with preservence we believe that one day, our young people will become self-sufficient and contributing members to the society.
